

## Specification Sheet

Product Name: **3-Bromo-2-methylpropionic Acid**  
Specifications & Purity: **≥97.0%(GC)**  
SKU #: **B135992**

| Parameter                           | Limit Values                                     |
|-------------------------------------|--------------------------------------------------|
| Refractive index n <sub>20</sub> /D | 1.475-1.479                                      |
| Purity(Neutralization titration)    | 97-103 (%)                                       |
| Density (20°C)                      | 1.588-1.593                                      |
| Purity(GC)                          | 97-100 (%)                                       |
| Proton NMR spectrum                 | Conforms to Structure                            |
| Appearance(B135992)                 | Colorless to Light orange to Yellow clear liquid |
