## Specification Sheet

|                          |                        |
|--------------------------|------------------------|
| Product Name:            | <b>Benzamide oxime</b> |
| Specifications & Purity: | ≥98.0%                 |
| SKU #                    | <b>B139085</b>         |

| Parameter            | Limit Values                             |
|----------------------|------------------------------------------|
| Purity(HPLC)         | 98-100 (%)                               |
| Melting point        | 76-78 (°C)                               |
| Appearance (B139085) | White to Light Yellow Powder or Crystals |
| Proton NMR spectrum  | Conforms to Structure                    |
