

## Specification Sheet

Product Name: **4-Butoxy-4'-cyanobiphenyl**  
Specifications & Purity: **≥98.0%**  
SKU #: **B151974**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 98-100 (%)            |
| Melting point       | 75-79 (°C)            |
| Proton NMR spectrum | Conforms to Structure |
