

## Specification Sheet

Product Name: **10-Bromo-10'-(2-naphthyl)-9,9'-bianthracene**  
Specifications & Purity: **>98.0%(HPLC)(T)**  
SKU #: **B152591**

| Parameter                      | Limit Values          |
|--------------------------------|-----------------------|
| Proton NMR spectrum            | Conforms to Structure |
| Purity(HPLC area)              | 98-100 (%)            |
| Carbon by Elemental Analysis   | 78.3-83.3 (%)         |
| Hydrogen by Elemental Analysis | 3.9-4.2 (%)           |
