

## Specification Sheet

Product Name: **7-Bromo-2-naphthol**  
Specifications & Purity: **>97.0%(GC)**  
SKU #: **B152877**

| Parameter           | Limit Values                      |
|---------------------|-----------------------------------|
| Purity(GC)          | 97-100 (%)                        |
| Melting point       | 132-138 (°C)                      |
| Proton NMR spectrum | Conforms to Structure             |
| Appearance(B152877) | White to yellow powder to crystal |
