## Specification Sheet

|                          |                        |
|--------------------------|------------------------|
| Product Name:            | <b>6-Bromochromone</b> |
| Specifications & Purity: | >98.0%                 |
| SKU #                    | <b>B153020</b>         |

| Parameter            | Limit Values                       |
|----------------------|------------------------------------|
| Purity(HPLC)         | 98-100 (%)                         |
| Melting point        | 135-140 (°C)                       |
| Appearance (B153020) | White to yellow powder or crystals |
| Proton NMR spectrum  | Conforms to Structure              |
