## Specification Sheet

|                          |                          |
|--------------------------|--------------------------|
| Product Name:            | <b>Biotin-PEG-Biotin</b> |
| Specifications & Purity: | 95%, MW 600 Da           |
| SKU #                    | <b>B163365</b>           |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 95-100 (%)            |
| Molecular Weight    | Conforms              |
| Proton NMR spectrum | Conforms to Structure |
