## Specification Sheet

|                          |                                         |
|--------------------------|-----------------------------------------|
| Product Name:            | <b>3-Bromo-2-(chloromethyl)pyridine</b> |
| Specifications & Purity: | 98%                                     |
| SKU #                    | <b>B180455</b>                          |

| Parameter       | Limit Values          |
|-----------------|-----------------------|
| Purity(GC)      | 98-100 (%)            |
| NMR Spectrum 1H | Conforms to Structure |
