## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>2-(Bromomethyl)-5-(trifluoromethyl)furan</b> |
| Specifications & Purity: | 95%                                             |
| SKU #                    | <b>B182125</b>                                  |

| Parameter             | Limit Values                                           |
|-----------------------|--------------------------------------------------------|
| Purity(GC)            | 95-100 (%)                                             |
| Proton NMR spectrum   | Conforms to Structure                                  |
| Fluorine NMR Spectrum | Conforms to Structure                                  |
| Appearance(B182125)   | Colorless to Light yellow to Light orange clear liquid |
