## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>3-Bromo-4-methylanisole</b> |
| Specifications & Purity: | 95%                            |
| SKU #                    | <b>B193028</b>                 |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
