## Specification Sheet

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Product Name:            | <b>Bis(2,2,6,6-tetramethyl-3,5-heptanedionato)lead(II)</b> |
| Specifications & Purity: | 99%                                                        |
| SKU #                    | <b>B283246</b>                                             |

| Parameter                  | Limit Values                          |
|----------------------------|---------------------------------------|
| Appearance(B283246)        | White to Off White Powder or Crystals |
| Pb(Complexometric EDTA)    | 35.5-37.4 (%)                         |
| ICP: Confirms Pb Component | Confirmed                             |
| Infrared spectrum          | conforms to structure                 |
