

## Specification Sheet

Product Name: **Bio-based Polyamide Resin56**  
Specifications & Purity: Bio-based content 45%  
SKU # **B283710**

| Parameter                      | Limit Values         |
|--------------------------------|----------------------|
| Relative Viscosity             | 2.73-2.79            |
| -NH <sub>2</sub>               | 0.049-0.055 (mmol/g) |
| YI                             | ≤6                   |
| Particle size (1 g/100Pellets) | pass                 |
| Water content                  | 0-0.2 (%)            |
