## Specification Sheet

|                          |  |
|--------------------------|--|
| Product Name:            | <b>Bromodichloromethane in methanol</b>        |
| Specifications & Purity: | Standard values:1.01mg/mL Uncertainty:3% (k=2) |
| SKU #                    | <b>B299288</b>                                 |

| Parameter     | Limit Values        |
|---------------|---------------------|
| Concentration | 0.9797-1.0403 (g/L) |
