

## Specification Sheet

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Product Name:            | <b>2-METHYL-5-(TRIFLUOROMETHYL)BENZOYL CHLORIDE</b> |
| Specifications & Purity: | 95%                                                 |
| SKU #                    | <b>B300665</b>                                      |

| Parameter             | Limit Values          |
|-----------------------|-----------------------|
| Purity(HPLC)          | 95-100 (%)            |
| Fluorine NMR Spectrum | Conforms to Structure |
| Proton NMR spectrum   | Conforms to Structure |
