

## Specification Sheet

|                          |                                                |
|--------------------------|------------------------------------------------|
| Product Name:            | <b>2,6-dichloro-3-(trifluoromethyl)aniline</b> |
| Specifications & Purity: | $\geq 95\%$                                    |
| SKU #                    | <b>B301358</b>                                 |

| Parameter             | Limit Values          |
|-----------------------|-----------------------|
| Purity(HPLC)          | 95-100 (%)            |
| Fluorine NMR Spectrum | Conforms to Structure |
| Proton NMR spectrum   | Conforms to Structure |
