

## Specification Sheet

Product Name: **4-Bromo-3-hydroxybenzoic acid**  
Specifications & Purity: **98%**  
SKU #: **B302871**

| Parameter                        | Limit Values          |
|----------------------------------|-----------------------|
| Appearance(B302871)              | White Powder or solid |
| Proton NMR spectrum              | Conforms to Structure |
| Purity(HPLC)                     | 98-100 (%)            |
| Purity(Neutralization titration) | 97.5-102.5 (%)        |
