## Specification Sheet

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Product Name:            | <b>9-[1,1'-Biphenyl]-4-yl-10-bromo-2-phenylanthracene</b> |
| Specifications & Purity: | 98%                                                       |
| SKU #                    | <b>B398300</b>                                            |

| Parameter           | Limit Values                                       |
|---------------------|----------------------------------------------------|
| Purity(HPLC area)   | 98-100 (%)                                         |
| Melting point       | 235-239 (°C)                                       |
| Appearance(B398300) | Light yellow to Yellow to Orange powder to crystal |
| NMR Spectrum 1H     | Conforms to structure                              |
