

## Specification Sheet

|                          |                                                              |
|--------------------------|--------------------------------------------------------------|
| Product Name:            | <b>2,4-Bis[4-(tert-butyl)phenyl]-6-chloro-1,3,5-triazine</b> |
| Specifications & Purity: | 98%                                                          |
| SKU #                    | <b>B404125</b>                                               |

| Parameter                | Limit Values                            |
|--------------------------|-----------------------------------------|
| Appearance(B404125)      | White to Almost white powder to crystal |
| Proton NMR spectrum      | Conforms to Structure                   |
| Purity( total nitrogen ) | 98-100 (%)                              |
