

## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>2-(4-Bromophenyl)-4,6-diphenylpyrimidine</b> |
| Specifications & Purity: | 98%                                             |
| SKU #                    | <b>B405344</b>                                  |

| Parameter           | Limit Values                            |
|---------------------|-----------------------------------------|
| Appearance(B405344) | White to Light yellow powder to crystal |
| Purity(HPLC area)   | 98-100 (%)                              |
| Melting point       | 230-240 (°C)                            |
| Proton NMR spectrum | Conforms to Structure                   |
