## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>2-(2-Bromophenyl)naphthalene</b> |
| Specifications & Purity: | ≥98%                                |
| SKU #                    | <b>B405429</b>                      |

| Parameter           | Limit Values                               |
|---------------------|--------------------------------------------|
| Appearance(B405429) | White to Orange to Green powder to crystal |
| Purity(HPLC)        | 98-100 (%)                                 |
| Melting point       | 80-84 (°C)                                 |
| NMR Spectrum 1H     | Conforms to Structure                      |
