

## Specification Sheet

Product Name: **5-(Benzyloxy)indole**  
Specifications & Purity: 98% (with less than 4% ethanol)  
SKU # **B406873**

| Parameter            | Limit Values                    |
|----------------------|---------------------------------|
| Appearance (B406873) | White to Tan Powder or Crystals |
| Purity(HPLC)         | 98-100 (%)                      |
| Enthanol             | < 4 (%)                         |
| Proton NMR spectrum  | Conforms to structure           |
