## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>Bindarit (AF 2838)</b> |
| Specifications & Purity: | 10mM in DMSO              |
| SKU #                    | <b>B408217-1ml</b>        |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
