## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>Bazedoxifene (WAY-140424) HCl</b> |
| Specifications & Purity: | 10mM in DMSO                         |
| SKU #                    | <b>B409102-1ml</b>                   |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
