## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>2-(Boc-amino)benzaldehyde</b> |
| Specifications & Purity: | 97%                              |
| SKU #                    | <b>B469628</b>                   |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
