## Specification Sheet

|                          |                                      |
|--------------------------|--------------------------------------|
| Product Name:            | <b>4-(4-benzylpiperazino)aniline</b> |
| Specifications & Purity: | 97%                                  |
| SKU #                    | <b>B482593</b>                       |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
