

## Specification Sheet

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Product Name:            | <b>4'-Bromo-3'-(trifluoromethyl)acetophenone</b> |
| Specifications & Purity: | 99%                                              |
| SKU #                    | <b>B575075</b>                                   |

| Parameter       | Limit Values          |
|-----------------|-----------------------|
| Purity(GC)      | 99-100 (%)            |
| NMR Spectrum 1H | Conforms to structure |
| FNMR spectrum   | Conforms to Structure |
