Specification Sheet

Product Name:	Boron carbide
Specifications & Purity:	98%, industrial grade, $\leq 200\text{nm}$
SKU #	B591130

Parameter	Limit Values
Appearance(B591130)	grey to black powder
Particle size	0-200 (nm)
X-Ray Diffraction	Conforms to Structure
Purity(Boron compound + Carbon compound)	98-100 (%)
