## Specification Sheet

Product Name: **6-Bromo-2-methoxyquinoline**  
Specifications & Purity: **≥97%**  
SKU #: **B635392**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 97-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
