## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>N-Benzyloxycarbonylglycine Thioamide</b> |
| Specifications & Purity: | ≥95%                                        |
| SKU #                    | <b>B700222</b>                              |

| Parameter                      | Limit Values          |
|--------------------------------|-----------------------|
| Nitrogen by Elemental Analysis | 11.63-12.74 (%)       |
| Purity(HPLC)                   | 95-100 (%)            |
| LC-MS for identification       | Conforms              |
| Proton NMR spectrum            | Conforms to Structure |
