

## Specification Sheet

Product Name: **4'-Bromo-3'-nitroacetophenone**  
Specifications & Purity: **≥96%**  
SKU #: **B707035**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 96-100 (%)            |
| Melting point       | 115-121 (°C)          |
| Proton NMR spectrum | Conforms to Structure |
