Specification Sheet

| | |
|--------------------------|--|
| Product Name: | Boron trifluoride tetrahydrofuran complex |
| Specifications & Purity: | 48-50% in THF |
| SKU # | B774299 |

| Parameter | Limit Values |
|------------------------|-------------------------------------|
| Appearance(B774299) | colorless to yellow to brown liquid |
| Infrared spectrum | Conforms to Structure |
| BF3(Titration by NaOH) | 46.5-50.5 (%) |
