## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>Copper thiocyanate</b> |
| Specifications & Purity: | 99%                       |
| SKU #                    | <b>C100225</b>            |

| Parameter            | Limit Values                         |
|----------------------|--------------------------------------|
| Copper(Cu)           | 51.5-53 (%)                          |
| Purity               | 99-100 (%)                           |
| Appearance (C100225) | White to Light Grey or Yellow Powder |
| Infrared spectrum    | Conforms to Structure                |
| X-Ray Diffraction    | Conforms to Structure                |
