## Specification Sheet

Product Name: **4-Chlorocinnamic acid**  
Specifications & Purity: **99%**  
SKU #: **C100659**

Parameter	Limit Values
Purity(Neutralization titration)	99-101 (%)
Melting point	248-253 (°C)
Appearance (C100659)	white crystalline powder
Solubility in hot MeOH	almost transparency
Proton NMR spectrum	Conforms to structure
