## Specification Sheet

Product Name: **2-Chloro-5-fluoropyridine**  
Specifications & Purity: **98%**  
SKU #: **C102598**

| Parameter                           | Limit Values                                                      |
|-------------------------------------|-------------------------------------------------------------------|
| Refractive index n <sub>20</sub> /D | 1.502-1.506                                                       |
| Density (20°C)                      | 1.338-1.342                                                       |
| Purity(GC)                          | 98-100 (%)                                                        |
| Appearance (C102598)                | White or Colorless to Light yellow powder to lump to clear liquid |
| Proton NMR spectrum                 | Conforms to structure                                             |
