## Specification Sheet

|                          |                                                                           |
|--------------------------|---------------------------------------------------------------------------|
| Product Name:            | <b>3-Chlorophenylboronic acid (contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | 97%                                                                       |
| SKU #                    | <b>C103270</b>                                                            |

| Parameter                  | Limit Values                                                    |
|----------------------------|-----------------------------------------------------------------|
| Purity (Titration by NaOH) | 96.5-103.5 (%)                                                  |
| Purity(HPLC)               | 97-100 (%)                                                      |
| Appearance (C103270)       | White to Almost white to Tan to Red powder to crystal to chunks |
| Proton NMR spectrum        | Conforms to Structure                                           |
