14078 Meridian Parkway, Riverside, CA. 92518

## Specification Sheet

Product Name: **Chloramine T trihydrate**  
Specifications & Purity: Analytical Reagent, >98.0%(T)  
SKU #: **C104061**

Parameter	Limit Values
PH(5% in water,25°C)	9-11
Purity(Iodometric Titration)	97.5-102.5 (%)
Appearance (C104061)	White to faint beige powder,crystals or fibers
Application test	Suitable for determination of phosphate
Proton NMR spectrum	Conforms to Structure
Substances Darkened (by H2SO4)	Pass
