## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>1-Chloro-2-(ethanesulfinyl)ethane</b> |
| Specifications & Purity: | ≥95%                                     |
| SKU #                    | <b>C1043438</b>                          |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 95-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
