## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>4-Chloro-1,2-dimethylbenzene</b> |
| Specifications & Purity: | 98%                                 |
| SKU #                    | <b>C113569</b>                      |

| Parameter                           | Limit Values                                           |
|-------------------------------------|--------------------------------------------------------|
| Refractive index n <sub>20</sub> /D | 1.5273-1.5293                                          |
| Density (20°C)                      | 1.065-1.068                                            |
| Purity(GC)                          | 98-100 (%)                                             |
| Appearance (C113569)                | Colorless to Light yellow to Light orange clear liquid |
| NMR Spectrum 1H                     | Conforms to Structure                                  |
