## Specification Sheet

Product Name: (H-Cys-Gly-OH)<sub>2</sub>  
Specifications & Purity: ≥95%  
SKU # C121390

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| Appearance (C121390)     | White powder          |
| Proton NMR spectrum      | Conforms to Structure |
| LC-MS for identification | Conforms              |
