## Specification Sheet

Product Name: **(1,5-Cyclooctadiene)(hexafluoroacetylacetonato)iridium(I)**  
Specifications & Purity: **97%**  
SKU #: **C129194**

| Parameter                      | Limit Values                         |
|--------------------------------|--------------------------------------|
| Carbon by Elemental Analysis   | 29.7-31.8 (%)                        |
| Purity                         | 97-100 (%)                           |
| Appearance (C129194)           | Dark red to brown crystals or powder |
| ICP:Confirms Iridium Component | Confirmed                            |
| Proton NMR spectrum            | Conforms to Structure                |
