

Specification Sheet

Product Name:	2-Chloro-4-methylbenzeneboronic acid(contains varying amounts of Anhydride)
Specifications & Purity:	≥97%
SKU #	C138241

Parameter	Limit Values
Purity(Neutralization titration)	97.5-102.5 (%)
Appearance (C138241)	white powder or solid
Proton NMR spectrum	Conforms to Structure
