## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>5-Chlorobenzimidazole</b> |
| Specifications & Purity: | ≥98%                         |
| SKU #                    | <b>C153428</b>               |

| Parameter            | Limit Values                                       |
|----------------------|----------------------------------------------------|
| Purity(HPLC)         | 98-100 (%)                                         |
| Melting point        | 128-134 (°C)                                       |
| Appearance (C153428) | White to Reddish-Yellow,Light Brown Powder,Crystal |
| Proton NMR spectrum  | Conforms to Structure                              |
