

## Specification Sheet

Product Name: **9-Cyanoanthracene**  
Specifications & Purity: **>95.0%(HPLC)**  
SKU #: **C153629**

| Parameter            | Limit Values           |
|----------------------|------------------------|
| Purity(HPLC)         | 95-100 (%)             |
| Melting point        | 175-179 (°C)           |
| Appearance (C153629) | green or yellow powder |
| Proton NMR spectrum  | Conforms to Structure  |
