## Specification Sheet

|                          |                      |
|--------------------------|----------------------|
| Product Name:            | <b>Croconic Acid</b> |
| Specifications & Purity: | >95.0%(HPLC)         |
| SKU #                    | <b>C153830</b>       |

| Parameter                    | Limit Values                          |
|------------------------------|---------------------------------------|
| Purity(HPLC)                 | 95-100 (%)                            |
| Appearance ( C 1 5 3 8 3 0 ) | Light yellow to yellow to brown solid |
| Infrared spectrum            | Conforms to Structure                 |
| Proton NMR spectrum          | Conforms to Structure                 |
