## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>2-Chloro-5-(tributylstannyl)pyrimidine</b> |
| Specifications & Purity: | 95%                                           |
| SKU #                    | <b>C167545</b>                                |

| Parameter           | Limit Values           |
|---------------------|------------------------|
| Purity(HPLC)        | 95-100 (%)             |
| Appearance(C167545) | Yellow to Brown Liquid |
| Proton NMR spectrum | Conforms to Structure  |
