

## Specification Sheet

Product Name: **Cy7 carboxylic acid**  
Specifications & Purity: **≥96%**  
SKU #: **C171363**

| Parameter                     | Limit Values          |
|-------------------------------|-----------------------|
| Purity(HPLC area)             | 96-100 (%)            |
| LC-MS for identification      | Conforms              |
| NMR Spectrum 1H               | Conforms to Structure |
| Emission maximum              | 767-777 (nm)          |
| Excitation/Absorption maximum | 740-750 (nm)          |
