## Specification Sheet

|                          |                                       |
|--------------------------|---------------------------------------|
| Product Name:            | <b>2-chloro-6-hydroxybenzonitrile</b> |
| Specifications & Purity: | ≥97%                                  |
| SKU #                    | <b>C178101</b>                        |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             |                       |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
