

## Specification Sheet

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Product Name:            | <b>3-Chloro-4-(trifluoromethoxy)benzoic acid</b> |
| Specifications & Purity: | 98%                                              |
| SKU #                    | <b>C181808</b>                                   |

| Parameter             | Limit Values          |
|-----------------------|-----------------------|
| Purity(HPLC)          | 98-100 (%)            |
| Fluorine NMR Spectrum | Conforms to Structure |
| Proton NMR spectrum   | Conforms to Structure |
