

## Specification Sheet

Product Name: **8-Chloroisoquinoline**  
Specifications & Purity: **98%**  
SKU #: **C183901**

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Melting point       | 50-55 (°C)            |
| Proton NMR spectrum | Conforms to Structure |
