

## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>1-Chloro-2,3-difluoro-4-nitrobenzene</b> |
| Specifications & Purity: | ≥98%                                        |
| SKU #                    | <b>C191464</b>                              |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
